CORE SERVICES

— 01

Payroll Tax Remediation & Advisory

\$8,000 – \$15,000 / month

Active-risk resolution: notice response, penalty and lien negotiation, multi-entity audit readiness, and amended filings. For companies already facing enforcement, back tax exposure, or a compliance backlog.

— 02

Ongoing Compliance & Workforce Risk

\$2,000 – \$5,000 / month

Preventive, month-to-month oversight: multi-state employment requirements, worker classification, HR policy integration, and payroll governance. ADP, SAP, and Oracle fluent.

— 03

Operational Excellence & Scaling

Project-based, \$5,000 – \$15,000+ (scope-dependent)

Operational audits, SOP development, team structure design, financial oversight, and strategic planning infrastructure. Builds the machine behind the business.

— 04

Creator Business Advisory

\$500 – \$1,500 / month

Business structuring, payment frameworks, contract navigation, tax strategy, and operational systems for content creators and digital entrepreneurs ready to run their platform like a real business.
